Data Privacy Consent Statement – SSO Service and Siemens Online Services and Marketplaces

March 2026 v3.2

Dear User,

You are about to create a user account for the Siemens single sign-on service ("SSO Service"). The SSO Service enables you to access Siemens' applications and online services ("Siemens Online Services") and Siemens' online stores and marketplaces ("Siemens Marketplaces") with just one single user account (login). After logging into a Siemens Online Service or Marketplace via the SSO Service, you can easily switch to another Siemens Online Service or Marketplace within a browser session and stay logged in with your user account.

1. **Consent to the processing of personal data in the SSO Service; responsible data controller(s)**

   You hereby consent that the information provided by you when creating your user account is processed in the EU or any other country where we operate for the purpose of providing the functionalities of the SSO Service to you.

   The SSO Service is operated by **Siemens Aktiengesellschaft, Werner-von-Siemens-Strasse 1, 80333 Munich, Germany** ("Siemens AG"). Siemens AG is the controller responsible for the personal data processed in the SSO Service.
   If you use this SSO Service to access a Siemens Marketplace or Online Service operated by another Siemens company, such other Siemens company and Siemens AG are jointly responsible for the personal data processed in the SSO Service and have entered into a joint controller agreement which describes the different organizations' obligations in relation to the processing of your personal data.
   The essence of the joint controller agreement will be made available to you upon your request.

   Please note that
   - the information provided in the Siemens Privacy Notice also applies to the processing of your personal data in the SSO Service, and
   - you may exercise your data protection related rights via Siemens AG by writing to dataprivacy@siemens.com.

2. **Consent to the processing of personal data in Siemens Online Services and Siemens Marketplaces**

   If you are a resident of **Chile, Mainland China, Colombia, Ecuador, India, Israel, Japan, Kazakhstan, the Republic of Korea, Mexico, Peru, the Philippines, the State of Qatar, Saudi Arabia, Singapore, Taiwan, Thailand, Turkey, the United Arab Emirates, Vietnam, or Indonesia** you further consent, in accordance with the laws of your country of residence, to
   i. the (out-of-country) transfer of your personal data to Siemens AG and, as the case may be, to the Siemens company providing the requested Online Service to you, the Siemens company operating the respective Marketplace and/or the Siemens company or third party from which you buy products and services via the Marketplace; and
   ii. the processing of your personal data in the context of your use of Siemens Online Services or Siemens Marketplaces as further described in the Siemens Privacy Notice.

You understand that the provision of your consent is voluntary and that you have the right to revoke your consent with future effect at any time (from within the SSO Service). In case you do not grant or revoke consent, you will not be able to use the SSO Service.
